

Chesapeake Bay Sports Camps Registration Form

www.ChesapeakeBaySportsCamps.com

Our soccer training is an excellent opportunity for boys and girls age 3 to 14 to learn the basics and hone their skills. Participants will be grouped by age with experienced coaches and small coach to participant ratios.

Younger players age six and under will benefit from having coaches experienced with years of experience coaching soccer and teaching elementary physical education in Anne Arundel County. These younger players learn a variety of soccer skills through drills and games that make it an enjoyable experience for kids just getting into the sport.

Soccer participants ages 7 through 14 will learn the art of the game from experienced coaches. From technical to tactical your child will learn how to improve their game. Passing, trapping, shooting, defending, shielding, positioning, and attacking the goal are among the skills that will be gained by participants.

Our Soccer Camps are held at Chesapeake High School's Bermuda Field for boys and girls ages 3-14.
